THE FRANK FRAZETTA MUSEUM

EAST STROUDSBURG, PA

This Spanish/Mexican style gallery is nestled on a 75-acre estate located in the heart of the Pocono's. This beautiful structure overlooks Frank's private 5-acre lake in a serene setting, amongst the towering spruce trees and surrounding mountains. Frank did the original preliminary draft of the museum, and his son, Frank Jr., did the architectural design plan.

The 3,000 square foot gallery offers 2,500 square feet of open gallery for viewing all Frank's works and masterpieces. With cathedral ceilings, stucco walls and a Mexican tile roof orchestrated to accent Frank's art.

On display are all the original art that brought Frank his worldwide fame. Just imagine getting a chance to see Death Dealer, Silver Warrior, the Barbarian and more masterpiece works up close, to see the brilliant colors and subtle brush strokes that remain unmatched to this day

There is also a Gallery Store, in a smaller room, for the purchasing of some original art, lithographs, limited editions and other collectables. The museum is operated by Frank's wife, Ellie, who has operated the business since 1971.

Museum hours are Saturdays and Sundays from 11am- 4pm EST. The museum will stay open through the Saturday before Christmas and will reopen the first weekend of May. No one is permitted on the premises at any other time without permission from Frank or Ellie personally. We please ask you to abide by these hours. Anyone on the estate before or after normal business hours will be considered trespassing. We thank you for your cooperation in this matter.

Admission to the gallery will be a donation of $10 per person. All proceeds go to the maintenance of the gallery and preservation of the artwork.
